

Agape Homeschool Group Membership Policies & Procedures

Statement of Faith

We believe in the Holy Scripture and fully accept the writings of the Old and New Testaments as the very Word of God, verbally inspired in all parts and therefore wholly without error as originally given by God, the only infallible, and authoritative rule of faith, life, and conduct. (Ps. 119:105, 133, 160; Prov. 30:5a; II Tim. 3:16-17; II Pet. 1:19-21)

Certain sins have become acceptable in our society and are clear violations of Scripture. In the spirit of I Corinthians 6:9-20, we as an organization recognize that some in the organization may have participated in these sins. When a person is born again, God forgives all sin. This is not an exhaustive list. Our purpose is to promote Biblical standards in these areas where society has drifted away from its Biblical roots. Therefore, we believe in order to preserve function and integrity of Agape Homeschool Group as the Body of Christ, and to provide a Biblical role model to its members and the community, it is imperative that all persons employed by Agape in any capacity, or who serves as volunteers, agree to and abide by this Statement of Faith for the purposes of the faith, doctrine, practice, policy, discipline, building use, employment practices, etc.

- We believe that there is One God, eternally existent in three persons; Father, Son, and Holy Spirit.
- We believe in the Deity of our Lord Jesus Christ, in His virgin birth, His sinless life, His miracles, His vicarious and atoning death through His shed blood, His bodily resurrection, His ascension to the right hand of God the Father, and His personal return in power and glory.
- We believe that for the salvation of the lost and sinful man, Jesus is the only way to eternal life. Salvation from sin is by grace alone through faith alone in Jesus Christ.
- We believe in the present ministry of the Holy Spirit whose presence and powers are necessary for believers to live a Godly life and for the building of the Body of Christ.
- We believe in the power of prayer, both individual and corporate.
- We believe in the sanctity of human life and that each child is a gift from God, entrusted to his or her parents to be the primary educators, training them in accordance with God's will and Word.
- We believe that parents have the God given responsibility for the care and training of their children.

- We believe in the spiritual unity of believers through our common faith in the Lord Jesus Christ, and that individual doctrinal differences which may exist outside the aforementioned, should not hinder the unity of Christian home educators.
- We believe in the redemption and restoration to all who confess and forsake their sin, seeking His mercy and forgiveness through Jesus Christ. (Acts 3:19-21; Rom. 10:9-10; I Cor. 6:9-11)
- We believe that every person must be afforded compassion, love, kindness, respect, and dignity. (Mark 12:28-31; Luke 6:31) Gossip, slander, hateful, and harassing behavior, and attitudes directed toward any individual are to be repudiated and are not in accord with Scripture nor the morals of Agape Homeschool Group. However, preaching and teaching God's Truth as revealed in Scripture is not hateful or harassing of any person.
- We believe that marriage and families are ordained and defined by God.
- We believe that God wonderfully and immutably creates each person as male or female. These two distinct, complimentary genders together reflect the image and nature of God. (Gen. 1:26-27) Rejection of one's biological sex is a rejection of the image of God within that person.
- We believe that God created the human race as male and female and that all conduct with the intent to adopt a gender other than one's birth gender is immoral and therefore sin. (Gen. 1:27; Deut. 22:5)
- We believe that God has established marriage as a lifelong, exclusive relationship between one man and one woman based on their DNA and that all intimate sexual activity outside the marriage relationship, whether heterosexual, homosexual, or otherwise, is immoral, and therefore sin. (Gen. 2:18-25; Ex. 20:14, 17, 22:19; Lev. 18:22-23, 20:13, 15-16; Matt. 19:4-6, 9; Rom. 1:18-31; I Cor. 6:9-20; I Tim. 1:8-11; Jude 7)

- Field Trip/Event Etiquette
 - As homeschoolers we are looked at with critical eyes. People want to know what we are about and if we are different from the rest of the world. Homeschoolers are generally associated with devout Christianity. We aren't just representing homeschoolers; we are representing Christ. We make a big impression when we show up late or not at all and when our children are disrespectful during a class or tour. Let's make sure we don't make a bad impression. We want to shine for Him!
 - Please read and follow these guidelines:
 - Fee Payment:
 - If there is a cost involved with a field trip or special event, the fee must be paid at the time of your registration, unless otherwise specified by the field trip coordinator.
 - Please do not consider yourself registered for a field trip unless you have paid the fees.
 - Those first to pay will be the first registered.
 - Refunds because of your cancellation are dependent upon your giving proper notice of not being able to attend, the refund policy of the field trip destination, and/or if

there is someone on the waiting list who is willing to step into your place.

- Promptness:
 - Please arrive 15 minutes before a field trip is to begin. This provides us the opportunity to give last minute instructions and to get organized before entering the facility quietly.
- Courtesy:
 - Please be attentive, courteous, polite, and prepared with good questions for our tour guide.
 - Remember to thank the tour guide at the end of the field trip. We encourage all families to follow-up with a thank you letter. What an added blessing to our host!
- Attendance:
 - It is a privilege to partake in a field trip.
 - We understand that children will misbehave or just have a bad day occasionally; however, this should be corrected and inappropriate behavior addressed.
 - Dangerous, belligerent, or blatantly disrespectful behavior may result in immediate expulsion from field trips for a set amount of time deemed appropriate by campus leadership.
 - Your field trip coordinators will do their best to provide fun and educational field trips and provide information in a timely manner.
 - If there are any questions, concerns, or suggestions, please do not hesitate to contact the coordinators or campus leadership.

Disciplinary Policy for Children

One of our goals is to reinforce Godly characteristics. In as much, we expect everyone to conduct themselves in an appropriate manner, treating other people as they would like to be treated.

- Students are expected to follow instructions and to not be disruptive. No talking out of turn during class.
- Proper respect for those in authority over us must be given at all times.
- Please be kind, courteous, and respectful of other people, their beliefs and their property.
- Serve one another in love.
- Students should be either in the class for which they have registered or assisting in the class for which they are an aide to a teacher.
- Students may not wander during class.
- Please walk throughout the building.
- There are places where students are not permitted at each campus location. Please take note of those places and encourage your children to stay out of those places.

If a student or child is being disruptive and/or not following instructions the following steps need to be taken – preferably by either the parent (if they are in class) or the teachers. The following steps are not necessarily to be used as a set order, but rather to use what is best for each situation.

- First, begin by simply correcting the child.
- If the behavior continues or escalates that same day, take the child aside or out of the room and explain what is expected of him/her and discuss the consequences of misbehavior.
- If on the same day negative behavior continues one of the teachers will need to take the child to his/her parent and explain the behavior. We do not wish for the parent to become defensive with the adult who brings the child to the parent.
- If the behavior continues and/or becomes a chronic behavioral problem, the parent(s) will be

informed that the child is not able to continue taking that class for the rest of the term and there will be no refund given.

- Campus leadership retains the right to expel any child or family from one or all Agape Homeschool Group classes if the student's behavior is intentionally or recklessly dangerous, belligerent, or blatantly disrespectful.
- If an immediate removal of the student is appropriate the student should be taken directly to a campus leadership team will take up the issue with the parents and take appropriate measures. Campus leadership retains the right to expel any child or family from one or all classes. It also retains the right to revoke Agape membership at any time without any refund.

It is our desire that you will feel at “home” with Agape. Thank you for your joy and willingness to help us serve those around us. By following through with all of these things we can truly show the love of Christ. We are excited to have you as a part of our family!
